## How it works?

**Accessibility**

**Affordability**

# Uniqueness

**Our added value:**

**we are not just overcoming kilometres, we are creating friendships between different generations – our users and volunteers share their life experiences and knowledge, build trust and respect.**

# **Volunteers are the of Sopotniki solution**

- **Cars are provided and all the costs are covered by Sopotniki institute and local partners**
- **High insurance in vehicle and as part of volunteering service**
- **Volunteers are provided with trainings, workshops and mentorship**
- **Volunteers are provided with free lunches and tea/coffee**

# Main groups of Volunteers:

## 1. NEWLY RETIRED

Volunteering enables them active lifestyle and participation in addressing local communities' problems and sense of purpose through gratitude of elders

## 2. JOB SEEKERS

Volunteers are gaining competences and acquiring skills → building up their Resume

## 3. OTHER

Working population, young mothers, students, corporate volunteering, representatives of local authorities etc.

# Benefits for our users

- **Prolonging time living at home – outside of professional institutions.**
- **Providing access to services.**
- **Enabling social interaction and a feeling of acceptance.**
- **Encouraging an active lifestyle.**

# Smart infrastructure

1. **Volunteers' portal – internal communication & volunteering e-calendar**
2. **CRM, Reservations and Fleet management application**
3. **Mobile app for quick calls & easy navigation**

**All applications are developed by us and therefore customised to address our needs.**
