Outcomes of Event 2 – Ajdovščina, Slovenia June 7th – 9th, 2023

Funded by the
European Union

Outcomes of Event 2 – Ajdovščina, Slovenia June 7th – 9th, 2023

Participants learned:

- how to engage and connect elderly and younger generations (especially in times of crisis such as COVID-19);
 - became aware of the best methods and practices in terms of protecting local heritage and preserving the know-how of all generations,
- *The participants were also able to generate new project ideas (connected to mobility solutions for elderly persons and others in need).

Outcomes of Event 5 – Usseaux, Italy May 13th – 15th, 2024

Funded by the
European Union

Outcomes of Event 5 – Usseaux, Italy May 13th – 15th, 2024

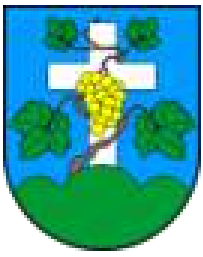

Participants learned:

- How active governance models (such as “MANSIA”) that rely on the efforts of volunteers contribute to solidarity, mutual understanding and a sense of belonging in the community (even in times of crisis such as COVID 19);
- How the efforts of volunteers ensure that the cultural assets of rural areas are promoted and preserved;
 - How citizens can engage in actions that preserve traditions, nature and cultural assets and that also contribute to EU integration

Funded by the
European Union

Outcomes of Event 6 – Sasd, Hungary September 18th – 20th, 2024

Funded by the
European Union

Outcomes of Event 6 – Sasd, Hungary September 18th – 20th, 2024

Participants learned:

- How associations and local governments can work together, promote mental well-being and social inclusion via volunteer-based actions;
- How to address mental health issues in rural communities during crisis periods (e.g. COVID-19 pandemic) in various settings (education, healthcare, promoting cultural heritage, etc.)
- How European values contribute to the well-being of the community and social inclusion.

Funded by the
European Union

Outcomes of Final Event/Event 7 – Ormož, SI October 23rd to October 25th, 2024

Funded by the
European Union

Outcomes of Event 7 – Ormož, Slovenia October 23rd to 25th, 2024

Participants learned:

- How to adjust and use local cultural and tourism assets (e.g. public events) as a means to have citizens remain resilient in times of crisis;
- About methods and approaches that incorporate EU values such as social inclusion, gender mainstreaming, and solidarity; that can be used (relating to tourism, agriculture and cultural heritage) to reinforce a sense of belonging in the community

Funded by the
European Union

End results of the project?

- Enhanced capacities in rural areas to prepare and participate in actions that contribute to rural communities overcoming COVID-19;
- Improved awareness among citizens in rural communities about how EU policies/values positively impact the quality of life;
- Enhanced cooperation between rural communities
