# Preparing the Guidebook

## CITIZEN'S GUIDEBOOK

- prepared as e-version, and printed version for the final event:
- It will describe best practices per partner, describe the project results, and detail how citizens are an integral part of the community during COVID-19 (re: civil protection, education, employment, social inclusion – of the elderly and persons with disabilities, environment).
- it gives citizens a wide perspective on how they can participate in democratic processes and benefit from EU integration;

# Preparing the Guidebook

## **CITIZEN'S GUIDEBOOK – How to make it?**

- The text needs to be made by us – each partner provides us with best practices that they implemented during the pandemic (2 pages per partner)
- Graphic design of the guidebook – led by Cestica....pictures provided by partners
- The final version is posted on the websites per partner

# Communications

- Each partner needs to make a project webtab/webpage on their website in order to promote the project
- The webtab needs to:
  - Present the project (basic information)
  - Present outcomes per event
  - Provide access to materials used at events
