# WHAT ARE MINIOLIMPIADI DI VALLE?

Miniolimpiadi di Valle are a sort of Olympic Games played by all the children of Chisone and Germanasca Valley attending primary and secondary school.

The Miniolimpiadi di Valle are born in 1977 from an idea of the direction G.S. Porte, a Municipality at the beginning of our Valley. The initiative suddenly involved the rest of the territory.

The Miniolimpiadi di Valle take place every two years – except for the edition of 2021 which was cancelled due to Covid-19. This year, our Municipality, Usseaux, hosts the event.
